Employment Opportunity
Part-Time Regional Public Health Nurse
September 28, 2026

The Greater Boroughs Partnership for Health, through the Town of Northborough, is seeking candidates for the part-time (up to 15 hrs/week), non-benefited position of Regional Public Health Nurse to work under the direction of the Health & Human Services Director, and to implement and coordinate public health nursing services across the region, including disease surveillance, health education, wellness programming, and active participation in public health initiatives.

The Greater Boroughs Partnership for Health is a collaboration among the towns of Boylston, Northborough, Southborough, and Westborough to provide professional public health services and programs for the member communities. The Regional Public Health Nurse will be an employee of the Town of Northborough but will provide nursing services to all four communities. T**his is a grant funded position through the Public Health Excellence grant and is contingent upon funding. The funding for this position has been secured through June 30, 2027.**

Bachelor of Science in Nursing (BSN) and Registered Nurse (RN) license is required. A minimum of two years of experience in public or community health nursing, demonstrating strong skills in disease surveillance, health education, and public health programming is preferred.

Candidates must have a comprehensive understanding of public health principles, communicable disease management, and health education strategies. Salary range for this Grade 5 position is $38.18 - $49.64 DOQ.

A complete job description can be found **HERE**. To apply, email resume and cover letter in a single PDF with “Regional Public Health Nurse” in the subject line to: **townadmin@town.northborough.ma.us**. Position will remain open until filled. AA/ EOE
